

**Call for Papers**  
Fifth Baltic Young PhD Conference on  
**Human – Computer Interaction**

Collocated with the BaSoTI 2011 Summer School  
August 23<sup>rd</sup> and August 24<sup>th</sup> in Riga, Latvia

BaSoTI is a Baltic Summer School Series in Technical Computer Science, held 2005 and 2006 in Vilnius, 2007 in Riga, 2008 and 2009 in Tartu, 2010 in Kaunas and 2011 in Riga. Complementary to the Summer School, which addresses young Master students, a conference will take place as a collocated two-day scientific event, **aimed at giving PhD students the possibility of gaining first conference experience.**

BaSoTI 2011 will be held in Riga from August 12<sup>th</sup> to August 27<sup>th</sup>, 2011 at Riga Technical University, Faculty of Computer Science and Information Technology. The conference will **start on August 23<sup>rd</sup> at 13:30, talks will take place until afternoon of August 24<sup>th</sup>.** In the afternoon of August 23<sup>rd</sup> there will be a social event together with the participants of the summer school. For the participants of the summer school, additional preconference tutorials are held in the morning of August 23<sup>rd</sup>, to allow a smoother transition from the Master level to a research oriented PhD level.

The conference is open for submissions of researchers at all levels and from all countries. It is specifically directed at PhD researchers and collaborators of the BaSoTI cooperation.
